Woodley Park Community Association Executive Committee Meeting January 9, 2017

Committee Members Present:

Carolyn Abbey Warren Gorlick Gasper Magallanes Peter Brusoe John Goodman Barbara Ioanes Bill Kummings Mark Jacobson Melissa Maxman

Meeting began at 7:36pm.

- 1. Acceptance of Agenda Agenda was accepted.
- 2. Approval of Minutes from December 8, 2016 Executive Committee Meeting Minutes were approved.
- 3. Presentation of revised plans for 2649 Conn. Ave by property owner The new owner, Chris Martin stated that he intends to rent the lower floor space for restaurant/bar use, and rent the upper floors as two rental units for habitation. The owner provided a presentation noting that he was seeking to revise the previously approved plans, noting 4 critical changes in the design proposal:
 - elimination of the penthouse, reducing overall height;
 - scaling back the depth of the 2nd and 3rd floors so that there is less protrusion toward the alleyway;
 - moving the staircase from the rear of the building that would have emptied on the alleyway to an internal staircase that will not have direct access to the alley; and
 - moving the back balcony to a place on the side of the building, eliminating protrusion of the balcony.

Various Board members and members of the community asked questions, including how the construction process would work and how deliveries would be made. No action was required.

- 4. Review and vote on approval of 2017 budget. Gasper presented the budget. An extensive discussion ensued relating to the proposed expenditure for insurance coverage (director's and officer's insurance, as well as the possibility of liability insurance). The budget was approved, with the express caveat that the amount budgeted for insurance was not an actual authorization to spend that amount, and that a separate vote would be taken at a later date if there is an actual proposal to purchase a specific insurance policy or policies.
- 5. Vote on whether or not to sponsor an amendment to the Wardman Tower landmark nomination to include the lobby and gate posts (including covering the cost). The Board received a proposal to prepare a nomination for \$3,000. The Board moved to sponsor the nomination of the lobby and gate posts, but determined not to pay for the preparation of the nomination.
- 6. JBG Update (including status of website) It was noted that the website is still not finished, notwithstanding the \$600 that has already been paid to the vendor. It was reported that it is a high priority of the vendor and the WPCA Board members who are working on it.
- 7. Community Events (comments on Holiday Party, future "Meet Your Neighbors Nights", etc.). Carolyn reported that the next community event would be at Open City on February 7. It was suggested that an effort be made to sign-up new members at these events.
- 8. Neighborhood Improvements (including installing bike racks and a bike share station and other recommended improvements). Peter noted the possibility of additional bike share stations in the community. Peter volunteered to research this more fully. Peter noted an additional concern with graffiti. Finally, Peter noted that during Zoo Lights in December, there was an increase in trash. It was agreed that the WPCA would request more routine maintenance of the trash cans. A community member noted that there are more general issues with trash collection, and encouraged any WPCA member to report full trash

- cans to the District.
- 9. Update from ANC, Mayor's Office and DC Council members (if present) Commissioner Lee Brian Reba reported on the trash issue that Peter had raised, as well as recent auto thefts. Commissioner Gwen Bole reported that the next ANC meeting will be on January 17. She noted that there is currently pending a BZA special exception application to enclose the rear porch of a non-conforming house in the historic district.
- 10. Membership Update Postponed, though Mark noted certain apps that could be used to communicate with members of the community who may not be WPCA members.
- 11. Adjournment occurred at 9:07pm.
