1. Establishment of quorum/confirming everyone can hear/see
2. Consent items:
  - a. Acceptance of agenda – The agenda was accepted.
  - b. Treasurer's Report – The Board accepted the Treasurer report from January.
  - c. Minutes – The January minutes were approved.
3. Introductions
  - a. De'Andre Anderson WPMS – Absent.
  - b. Beau Finley ANC3C Chair – Com. Finley introduced himself. Finley stated he desired “robust engagement” with the entire community and to make processes more transparent. An ANC committee to review processes and transparency has been created, and that is open to the public to join. A discussion ensued about the upcoming redistricting of the ANCs.
  - c. ANC3C Reps – Com. Reba (3C01) introduced himself and spoke to the redistricting issue. Com. Fink (3C02) introduced himself and said he was excited to work with the WPCA and the community. Com. Pagats (3C03) introduced herself and noted her desire to work with the community.
4. Old business
  - a. Comp Plan (John) – John indicated his focus was to get language in the Comp Plan that would seek to ensure a comprehensive review and planning process for any redevelopment of the hotel properties. Com. Fink expressed a concern that the language in the Comp Plan should not “box” the redevelopment into a particular approach or unduly limit retail establishments.
  - b. Update on Restaurants (Peter) – Peter noted a promising restaurant opening up in the WP area. Notwithstanding that one positive note, Courtney stated that there are at least four recently closed and now vacant storefronts in WP that had been occupied by restaurants and coffee shops, and that some other local restaurants may also be in trouble. In order to support the WP restaurants, various Board members requested that John include the phone numbers of local restaurants in his weekly update to the community so that residents can order directly from the WP restaurants rather than through apps that take a 20-30% cut of the order.
  - c. Zoo Updates (Carolyn) – Carolyn provided an update. Questions were raised about the possible return of the pandas to China, and when the Zoo will resume public visits on a timed entry system. Carolyn will check with Zoo officials about their reopening plans.
  - d. Shred Day update (Peter/Stephanie) – Peter provided an update for the June 26 event at the Maret School.

- e. Audit update (Peter/Barbara) – Peter reported that the audit indicated no issues.
  - f. 2021 Budget (Stephanie) – The Board approved the budget as revised.
  - g. IRS Updates – Courtney informed the Board that she had sent acknowledgement letters to those who had donated \$250 or more. Courtney and John will work out more specific procedures for sending such letters going forward.
  - h. Gourmand Patio – John noted that the Board had decided not to object to the proposed liquor patio hours for the new restaurant, but some local residents subsequently submitted letters to the WPCA stating that 1 am on weekends was too late. It was agreed that the WPCA should help arrange a meeting with WPMS to share concerns raised by the local residents.
  - i. Website (Katie) – Katie submitted an update by email before the meeting indicating progress is being made.
5. New business
- a. Insurance – Stephanie noted that she will pay the insurance premium that is due.
  - b. Wardman Park Hotel bankruptcy – John updated earlier in the meeting. No further updates.
  - c. Call to fill vacancies – Deferred to next meeting, but there was a general view that the Board should fill at least one of the vacancies.
  - d. Spring 2021 membership meeting – Various possibilities were raised for speakers at our Spring meeting. Melissa and Com. Fink will reach out to various possibilities for speakers.
6. Updates from Mayor’s office, Council, ANC – It was also agreed that Melissa would reach out to inquire about a staff from CM Cheh’s office attending the Board’s monthly meetings.
7. Good of the order – John raised an email he received from the developer at 2735 Connecticut Ave. Com. Reba noted that there are still many unanswered questions about the proposed project. John will ask the developer to provide him with the latest proposal and then will schedule a Zoom meeting for the community.
8. Adjourn – The meeting adjourned at 9:30pm. The next Board meeting is Tuesday, March 2.
