

Minutes of the General Membership Meeting of the WPCA
June 3, 2015

At 7:30PM, President Peter Brusoe called the meeting to order. Brusoe reviewed the proposal before the body on District Kitchen resolution ABRA-087574, a request from The District Kitchen to extend its alcohol hours.

He read the text of two different draft resolutions:

Draft Resolution #1:

The Membership of the Woodley Park Community Association Opposes the request by District Kitchen LLC to extend its sidewalk service hours until 3AM. Alcohol Service on the sidewalk café should stop at 11:30PM. The Community association has no objection to starting to serve alcohol at 9AM Sunday or Saturday, or 11 AM Monday-Friday.

Draft Resolution #2:

The Membership of the Woodley Park Community Association Opposes the request by District Kitchen LLC to change any of its service hours.

The Community debated the two resolutions and divided it up into two resolutions one for evening hours, the other for morning hours.

They passed the following resolution 11 votes to 1.

Resolved: "The Woodley Park Community Association opposes the request by the District Kitchen LLC to extend its evening service hours beyond the current 11:30PM."

The Community then debated the early morning hours and the majority had no opposition.

They passed this resolution 11 votes to 1:

Resolved: "The Woodley Park Community Association has no objection to the District Kitchen LLC beginning sales/service and consumption at 9AM on Saturday and Sunday, or 11AM for Monday-Friday.

A question came up about library funding, Brusoe answered that it would be handled under the executive committee agenda following the general membership meeting and everyone was welcome to stay.
