## Woodley Park News

Reminder: **Stanford's Pre-Thanksgiving Celebration** is tomorrow, Sunday November 22, noon to 2 pm. Fun family activities. RSVP to [Rachel Quint](#).

**WPCA Fall meeting.** The following members were elected at the meeting this week: President, Jay Sushelsky; VP, Barbara Ioanes; Secretary, Sarah Taber; Treasurer, Bruce Forrest; Executive Committee, Bill Menczer, Peter Brusoe, Paul Poe, Emily Wagner and Tamora Ilasat. We appreciate their willingness to get more involved in their community and welcome especially Sarah, Paul and Emily, who are new to the Board.

We would also like to thank the representatives from WASA, the school chancellor's office and the Urban Forestry Administration who gave up part of their evenings to join us. All had useful and interesting presentations and answered (numerous) questions from the audience.

**2816-22 Connecticut Ave.** Work has begun on this project. If you have any construction-related issues (trucks blocking the alley, work starting too early etc.), you should call Superintendent Gerald Williams at (202) 437-4729 or Project Manager John Neil, (703) 851-3533. Please also let me know of anything you raise with them, so we can keep track of what's going on.
