

Woodley Park News

Connecticut Avenue is the main street of Woodley Park and other Northwest neighborhoods. In recent months, there have been several city and private efforts relating to the Avenue and how it could be improved, including Connecticut Avenue Pedestrian Action, Cleveland Park Streetscape and Pedestrian Improvement Project, Rock Creek West Livability Study and UDC Campus Plan. WPCA and other community associations that include parts of the Avenue are sponsoring a program at which you can hear about these efforts and learn their recommendations. Tuesday February 1st, 7 pm at Adas Israel Congregation (2850 Quebec St).

The **Klingle Valley Trail Final Environmental Assessment** is now available on [DDoT's website](#). The EA addresses the agency and public comments received and identifies FHWA/DDoT's preferred alternative and options after the consideration of those comments.

ServeDC, The Mayor's Office on Volunteerism, has arranged for a number of programs that you or your children can participate in on Martin Luther King Jr. Day of Service. Check its [website](#) to see how you can help.
