

## Woodley Park News

**Streets will be closed** along the [route of the Oyster-Adams' ¡VAMOS! 5K race/walk](#) during Sunday morning. 29th Street between Calvert Street and Woodley Road will be closed most of the morning (as early as 7:00 and as late as 10:00), and other streets along the route will open on a rolling basis as the last participants have passed. Note, MPD says that roads leading to the closed streets may also be closed.

**More digging in the streets.** WASA has announced another year of digging in the streets, this time mainly along Calvert Street west of Connecticut Avenue. You can get the details [here](#).

**Property tax assessments** for FY 2012 are in the mail. For single-family houses in Woodley Park, generally not much change from last year – some properties up a little, some down a little; big increases probably the results of improvements to the house, big decreases to successful appeals. But then every unit in one condo building goes up 5% and every unit in the next building up the street goes down 5% -- go figure. If anyone wants all the numbers, [let me know](#).

The **WPCA Executive Committee** usually meets on the first Wednesday of the month; the next meeting will be on Wednesday, April 6th, 7:30 pm at Stanford (Connecticut Ave and Woodley Rd). All are welcome.
