Woodley Park News

The Historic Preservation Office has released a [draft guideline](#) for the **repair and replacement of windows on historic property** which would apply to homes in the Woodley Park Historic District. The proposal will be presented to the Historic Preservation Review Board at its meeting on Thursday September 22nd. Comments on the draft for the Board's consideration may be submitted to [Steve Callcott](#) or presented in person at the September meeting. If you have any thoughts on the proposal or think WPCA should take a position on it, please [let me know](#).

The Friends of the Cleveland Park Library is sponsoring a six-session **"Immigrants in America" Book Discussion Series** beginning on Thursday September 15th from 7 to 8:45 pm at the Library. Details are available [on the Library's website](#). Space is limited, so call the Library at (202) 282-3080 to register.

ANC Redistricting. In the Spring, the DC Council adopted boundaries of the eight Wards to reflect the 2010 census. The next task is to adjust the Advisory Neighborhood Commissions and the districts in them in response to the population shifts in the ten years since the last census. Task forces have been established in each Ward to recommend new boundaries to the Council. The [overall boundaries of our ANC \(3C\)](#) will likely change, as will those of most if not all of the individual districts. There are several Woodley Park residents on the Ward 3 task force (including me). If you have any thoughts about this redistricting process, [let me know](#) and I can pass them on to the larger group.
