## Woodley Park News

Some parents at **Oyster-Adams** school who are concerned about changes that might be coming for the school have formed a [Facebook group](#) to communicate and share ideas. ANC3C will have a discussion of issues regarding possible changes to the school's student enrollment policies at its [Tuesday February 19th meeting](#).

**Cleveland Park Village** is a new nonprofit organization created to help neighbors stay in the community as they age. In spite of its name (and the somewhat confusing description [on its website](#)), I'm told that Woodley Park is within the organization's territory. You can learn more about its programs at an open house this Wednesday, February 20th, at 1:15 pm at City Fitness, 3525 Connecticut Avenue.

Check out [goDCgo](#), an initiative of the District Department of Transportation that is designed to help reduce congestion and improve air quality through the promotion of sustainable transportation modes.

## Calendar

The next meeting of the **WPCA Executive Committee** is Wednesday March 6th at Stanford starting at 7:30. The agenda should be [on the website](#) a few days before the meeting.
