## Woodley Park News

Casey Trees and Pepco will **give you a tree** to plant in the right place on your property. Learn more [here](#).

If you live in Woodley Park and have a roof (which, I suspect, is all of you) then you probably have a good place to **install solar**. [This map](#) shows you where.

From a neighbor leaving the neighborhood: "**SALE!** Wednesday Feb 5 and Saturday Feb 8 from 10:30 -2:30 at 2700 Woodley Place. We are downsizing - all must go. Items include various pieces of furniture including a custom made desk with solid birch top, Egyptian side tables, Haitian paintings, Moroccan rugs and other woven pieces, African grass mats and enamel pots, brass pots. Also for sale will be some very good European appliances such as an iron, a vacuum cleaner and a mixer."

The Historic Preservation Review Board approved **Maret's** previously reported plans to add to the buildings on its campus.

The **neighborhood holiday party** at the Marriott was a great success and, more important, collected more than 180 pounds of food that was delivered to Martha's Table to help feed others in our community.

## Calendar

Wednesday February 12, 7:30 at Stanford. **WPCA Executive Committee** meeting. The agenda should be [on the website](#) a few days before the meeting. All are welcome.

John Goodman
