Woodley Park News

Cleveland Park Library. HPRB had its initial hearing on the plans to build a new branch library this week. Board members seemed generally supportive of the overall concept, but were concerned about the massing on the Newark St side (and, to a lesser extent, on the Macomb frontage), as well as architectural details like the orientation of limestone panels. One Board member described the library entrance as "pretty grim," so I suspect that will be among the changes that will be part of the new design that will be presented to the Board. WPCA filed a [brief comment](#) on the proposed library signage. ANC3C submitted an [extensive resolution](#).

Wardman Tower. JBG, the owner of the property, and its landscape architect will discuss landscaping plans and project status generally. Wednesday January 13, 7:30 pm at the Marriott Wardman Park Hotel.

Zoo grounds hours. There is a new [online petition](#) asking the Zoo to retain its current hours for access to the Zoo grounds.

More than 100 of our neighbors attended the **Woodley Park Holiday Party** at the Marriott this week, and they donated a stuffed trunkload of non-perishables to Martha's Table.

Calendar

Wednesday January 6, 7:30 pm. **WPCA Executive Committee** meeting at Stanford. The agenda should be [on the website](#) a few days before the meeting. All are welcome.
